Subject: Application for Opening a Club

Sir,

With due respect and humble submission, we would like to state that we want to create a club for MUN in Ideal School & College. We, the founders, have decided to name it "Ideal Model United Nations Association". Our slogan is "Diplomacy Today, Lead Tomorrow". MUN is an educational platform designed to simulate diplomatic decision-making processes. Through participating in MUN conferences, students engage in discussions on global issues, learning about diplomacy, international relations, the United Nations, and other international organizations. The experience equips students with critical skills in research, public speaking, debating, writing, teamwork, and cultural empathy. Currently, MUN is one of the most widely recognized and popular extracurricular activities globally.

In light of these benefits, we strongly believe that the students of Ideal School & College should not miss the opportunity to engage in such a valuable educational initiative. In pursuit of making this vision a reality, we are seeking your permission for creating the Ideal Model United Nations Association on Motijheel, Banasree and Mugda Branch.

May we, therefore, pray and hope that you would be kind enough to grant us permission and oblige thereby.

We remain,
Sir
